

Streamline Recruitment With Precision

Strategically target candidates by location and occupation, advertising only to qualified individuals within driving distance of your business.

STEP
1
GEO-TARGETED ADVERTISING

STEP
2
BRANDED RECRUITMENT WEBSITE

The ad leads candidates to a branded recruitment webpage that sells the job and your company.

A 40-second chat-based job application replaces the need for a resume.

STEP
3
CHAT-BASED HIRING JOB APPLICATION

STEP
4
AI RECRUITER CONTACT & SCHEDULING

The AI recruiter qualifies, contacts, and schedules each candidate for interviews automatically.

AI triggered reminders ensure applicants show up for interviews, with a 90% success rate.

STEP
5
AI INTERVIEW REMINDERS & FINAL HIRING
